1 NOTICE TO RECIPIENT(S) OF INFORMATION (Section 2. above):

Information disclosed to you pertaining to certain conditions, such as treatment for alcohol or drug abuse, HIV/AIDS and other sexually transmitted diseases, behavioral health, and genetic marker information is protected by various federal and state laws which prohibit any further disclosure of this information by you without the express written consent of the person to whom it pertains or as otherwise permitted by such laws. Any unauthorized further disclosure in violation of state or federal law may result in a fine or jail sentence or both. A general authorization for the release of medical or other information is NOT sufficient consent for release of these types of information. The federal rule at 42 CFR Part 2 restricts use of the information disclosed to criminally investigate or prosecute any alcohol or drug abuse patient.

5. By signing below, I understand and agree:

- My PHI that I agree to share may be sensitive. It may include diagnosis and treatment information. It may cover chronic diseases, behavioral health conditions and alcohol or drug abuse. It may cover communicable diseases, sexually transmitted diseases such as HIV/AIDS, and genetic marker information.
- Whoever gets my PHI may share it with others. That means federal or state privacy laws may no longer protect my PHI.
- I can get a copy of this authorization form that I have signed by sending Aetna a signed request using the address at the bottom of this form.
- Aetna will not release my PHI to the individual(s) or company(ies) named in Section 2 unless I sign this form.
- I can cancel or change my decision any time. I can do this by writing to Aetna, using the address at the bottom of this form.
